

MountJoy Photographer

Experience Guide - Travel, Landscapes, Portraits and Fine Art Prints

Brand Direction

A Dublin-based photography brand with a dark premium visual style, black-and-gold identity and a friendly but polished tone. The experience is designed for tourists, families, companies and luxury-minded travellers who want atmospheric, cinematic imagery.

What is Included

Travel portrait sessions, landscape commissions, brand storytelling, fine art print collections, curated online galleries, careful editing, and guidance from planning through delivery.

Suggested Packages

City Portrait Experience for solo travellers, couples and families; Luxury Travel Story for clients wanting more editorial coverage and multiple locations; Brand Destination Commission for hospitality, travel and lifestyle companies. Final pricing is shared after inquiry.

Print Notes

Prints are available as open-edition, limited-release and collector-style options. Guidance can be tailored around size, paper finish and framing to suit homes, boutique hotels or creative workspaces.
